HOW TO PLAY HYBRID GAMES

To place your wager, choose the amount that you'd like to bet by touching the casino chips across the bottom of the screen. Then touch the area on the screen where you'd like to place your bet. The winning outcome will be displayed on screen, and paid out accordingly (see payouts below). The previous outcomes are shown across the top of the screen, and wagers, winnings, and credits remaining can be viewed in the bottom left portion of the screen.

HYBRID BLACKJACK

To place your wager, choose the amount that you'd like to bet by touching the casino chips across the bottom of the screen. To place your bet, touch the closest wager circle to you. Wagers, winnings, and credits remaining can be viewed in the bottom left portion of the screen. You also have the choice to bet the following side bet options:

Bet the Set 21 and/or Royal Match 21.

BET THE SET 21 PAY TABLE

Suited Pair Pays	15 to 1
Pair Pays	10 to 1

ROYAL MATCH 21 PAY TABLE

Royal Match Pays	50 to 1
Two Suited Cards pays	2 to 1

As the game begins, a single hand of blackjack is dealt to all active players, except for the dealer, who only takes an up card. As players stand or bust, the dealer's hand is completed as a result of each player's decision. For example, while one player might stand, sending the subsequent cards to the dealer's hand, another might hit and receive those cards toward his or her total - leaving each hand to the player's discretion.

BUTTON FEATURES

- Press "COLLECT" to collect your winnings
- Press "HELP" for game information and paytables
- Press "SPLIT" to split your first two cards
- Press "SURRENDER" To surrender your hand in exchange for the return of one-half your initial base game wager.
- Press "DOUBLE DOWN" to double your current bet - you will receive just one card following this action
- Press "INSURANCE" if the dealer has a first card ACE to bet an additional one-half your initial wager. If the dealer ends up with Blackjack, your initial wager loses while your INSURANCE wager pays 2 to 1. All other actions including SPLITS or DOUBLE DOWNS will be returned to the player
- Press "STAND" to remain on the current total of cards you have
- Press "HIT" to take another card
